

*It gives me great pleasure on behalf of Welland City Council, to extend a warm welcome to the many visitors to our City during the CANADIAN BIKER BUILD OFF.*

*The CANADIAN BIKER BUILD OFF highlights the most prestigious motorcycle competition in Canada which attracts thousands of people to the two day event.*

*I would also like to recognize all the volunteers for their dedication and the many long hours of work involved in planning and making this event a success, year after year.*

*We hope you will find time during your stay to enjoy some of the sites and the warm hospitality our City has to offer.*

*Best wishes to all for an exciting and successful event.*
